Introduction

Our goal is to provide a safe, structured, fun learning and social environment where children can learn more than gymnastics skills that will carry them through life.

Our program is based on the developmental curriculum of the USA Gymnastics program. All gymnastics and athletic training is designed to meet the developmental needs of our young students. We start with basics in order to lay a good, solid foundation. All our programs strive to build self-confidence, self esteem and self body awareness.

Gymnastics is the greatest, most complete physical education program in the world!

Rules and Policies

Drop Off and Pick Up of Camp

1. Parents/guardians are required to sign campers IN and OUT daily.
2. Parents/ guardians will provide (pick up at drop off) an authorized list of adults who may pick up the child from the gym. ANYONE comes in to pick up a child and they are not on the list, they will **NOT** be allowed to pick up the child.
3. Children must be picked up at the end of camp promptly, as our afternoon classes will begin. Late pickup will result in an additional fee.

How Children are Checked In and Out?

- Field trips will be planned on a weekly basis - we will not go on field trips every week.

If you would like to sign up or child after the Saturday, you will be charged an additional late registration fee of \$10.00. Camp tuition is non-refundable.
